

Part-Time Content Creator (m/f/d) – Photostudio

Sneakers, streetwear and urban culture are your passion? Do you have a keen eye for compelling product imagery and know how to bring sneakers and apparel to life? We're looking for a **Part-Time Content Creator (m/f/d)** to join our **photo studio in Cologne**. You'll help craft high-quality **social media and editorial content**, from polished product shots to engaging lifestyle and editorial campaigns.

Your responsibilities

- Capture **sneakers and apparel** in all styles – on-figure, still-life, and lifestyle
- Produce **editorial and social media content** that resonates with our community
- Support the planning, coordination, and execution of studio shoots
- **Edit and retouch images** using Adobe Creative Cloud (Photoshop, Lightroom)
- Maintain studio equipment and product samples, ensuring smooth operations
- Optional: **create and edit videos** for social media and marketing campaigns

What we are looking for

- Proven experience in photography, content creation, or e-commerce imagery
- Proficiency with Adobe Creative Cloud
- Genuine passion for sneakers, streetwear, and visual storytelling
- Strong sense of lighting, composition, and product presentation
- Organized, reliable, and able to thrive in a **fast-paced studio environment**
- Team player with a hands-on, proactive attitude
- Experience with video production and editing is a plus
- Fluency in English or German

Benefits

- **Training & seminars to help you grow your creative skills**
- **Employee discount on sneakers, apparel & accessories**
- **Job ticket and Jobbike for effortless commuting**
- Access to **Urban Sports Club, gym & basketball court**

- **On-site canteen**
- **Flexible work options including mobile work**
- **Employee parking spaces**
- **Regular team events & social activities**
- **Corporate benefits**
- **Company pension scheme**
